edition: 18, plus 2 artist proofs

published by: St Jude Press, Melbourne

\$1,900 (inc GST)

Artist's statement

My Landscape is a book of linocut images, mixed and overlaid with paper cut-outs, watercolour washes and ink.

The images used refer to the language of signs I have evolved to depict the elements and experiences in the landscapes that are important to me.

The book is designed to be opened, standing as a sculpture, and when viewed in its entirety, to create a feeling of movement into and away from the landscape depicted.
